

ACTIVITY SUMMARY - AUGUST 2022 TO JULY 2023

Each year you must submit specific farm activity information on the farmland assessment application forms. Please fill in the following items and **bring or mail this summary with your tax forms and supporting documentation.** Without this information, the tax forms cannot be completed.

1. Name: _____ e-mail address: _____
2. Approximately what percentage of the trees marked by us have been harvested in the past year: _____
3. How many cords of wood have been cut and/or sold in the past year? Note- a cord of wood stacked is 4'x 4'x 8' or equivalent to one large size bed pick-up truck fully loaded.

4. What was the income or value generated from the wood sales? _____
(You must provide proof of income, such as receipts, copies of checks, etc.)
5. Where has the activity occurred? (We must attach an activity map to the forms. See maps we have sent you or the map in your Forest Management Plan)

6. What other forest activity has been completed in the past year? (i.e.: tree planting, vine control, access improvement, boundary marking, deer fencing etc.) _____

7. If you have had a State Inspection this past year, what was the outcome? _____

8. Do you need us to mark trees for you this coming year? _____
9. When would you like us to schedule a meeting with you during the coming year to make sure everything is OK? _____
10. What other agricultural activity has occurred on your property in addition to forestry activities? How much income was generated? _____

11. Is there anything else that you think might be entered on your tax forms to support your claim for farmland assessment? _____

12. Are there any changes in your address or phone number? _____

13. Is there anything else we could be doing for you? Any comments, suggestions? _____
